

DISCOVER THE GOLFING PARADISE OF THE BALTIC!

Golfing on Åland has many regulars. Enjoyable courses and good service in combination with tax-free shopping on board the ships has given Åland a new nickname – the golfing paradise of the Baltic.

From May and on into October golfers from east and west come to play at Åland's two golf clubs, the Ålands Golfklubb in Kastelholm and Eckerö Golf, with a total of three 18-hole courses and one short course. Here in Åland distances are short so there's no problem trying out both.

Guest players are always welcome and we have made it easy for them – we book packages which include travel, accommodation and tee-off times! Choose between staying at a hotel in Mariehamn with restaurants and other evening entertainment on your doorstep or in a self-catering cottage near the courses. Thereafter you can enjoy a round of golf and some nice archipelago air.
